Education

Self Nomination Process For “Academic Excellence Award”

Along with a brief resume, you are required to write a paper. Brilliance of ideas, originality and language of the paper will decide your selection for the award.

GUIDELINES FOR WRITING PAPER

- Papers are invited on the theme “Educational Reforms: Threats & Challenges
- Paper must be original and not published anywhere earlier.
- Paper should be sent by mail in MSWORD, Times New Roman Font, Font size 12, 1.5 line spaced, in A4 paper size.
- Full Paper should be in word limit of 750 - 1000 words. The word limit is inclusive of all notes, references, tables, annexure, appendices and excluding resume.
- Referencing style: Full paper should carry a list of References at the end of the paper (if any). The references should be cited in the text in a consistent style. References must follow the APA style.
- Papers should be mail to awards@nageen.com
- Decision of the panel of judges will be final and binding
- The organizers will have the right to publish the papers in their Journal / News bulletin / Website

Important Dates to Remember:

Last date of paper submission: 25th October, 2019
Conference date: 9th November, 2019

About SOE Global Education Awards

'School of Educators' is an organization committed to raising benchmarks in quality education.

SOE Global Education Awards, recognize, publicize and award the outstanding contribution in schools/higher education sector. Instituted by School of Education, SOE Global Education Awards are being supported by AICOI (felicitation intellectuals for more than 35 years). These awards are an effort to ensure that quality in education is brought into focus. This will motivate educators and provide a platform to showcase leadership in the education sector.

The Criteria

Every year, the SOE Global Education Awards identify and recognize achievements of some of the finest schools / colleges and institutes from the private sector and confers them with education excellence awards based on a comprehensive research conducted by SOE considering various criteria that include but are limited to infrastructure, faculty, strength of students, placements, annual growth, students / alumni feedback and feedback from the industry.

Objectives of SOE Global Education Awards & Conference

- The Conference aims at bringing awareness about education in general. This year's theme focuses on quality in education and leadership issues. It would also discuss the future of Education, understand government policies and impact on edupreneurs.
- The conference as well as awards encourage innovation and initiatives, institutions as well as government in improving the teaching learning process.
- The conference is a platform for sharing knowledge and best practices in education. It acknowledges, motivates and commends the work of entrepreneurs and philanthropists in education.
- International leadership development.
- To felicitate private sector initiatives.

Vision & Mission of SOE Global Education Award & Conference

- Our mission is to be recognized as a leader in quality improvement, through leadership, services and resources for improving standard of education in the country.
- To catalyze and enable paradigms for excellence in the school education system and facilitate transformation of schools.
- Create quality paradigms that lead to organizational excellence.
- Recognize colleges / institutions that exhibit performance excellence.
- Rekindle the consciousness of quality at the grassroots level.
- Offer full service approach to enable institutional development
